

EDWARD ST. GEORGE

Instagram

Trained in Milan, Edward is innovative, highly motivated and impeccably skilled in every aspect of hair and make-up design. Edward's work has graced many of the German, Italian, and American fashion collections and his trend-setting hairstyles have appeared on the covers and editorials of Vogue, Allure, GQ, Rolling Stone, Cosmopolitan, and Harper's Bazaar. Edward's feature film work, a roster of over 25 films, includes Stephen Daldry's *The Hours* and David Lynch's *Inland Empire*, while his work appears daily on the syndicated hit television show, *FRIENDS*. Edward's unique talent flourishes with each new endeavor. His clients range from veteran actors such as Susan Sarandon, Annette Benning, and Fay Dunaway to some of Hollywood's leading women such as Julia Roberts, Nicole Kidman, Julianne Moore, and Jennifer Lopez. Edward's clientele is not limited to women. His grooming abilities reach some of Hollywood's leading men, for instance, David Duchovny, Forest Whitaker, David Oyelowo, and Ed Westwick. His ability to design looks for film, television, and fashion as well as creating signature looks for some of Hollywood's biggest actors has kept him in high demand. Edward truly enjoys his work and is passionate about making people happy, saying, "I am a true believer in natural beauty and enhancing ones given looks. I love when the client says, 'I look like the best version of myself.'"
