Sofie has been modeling since the age of 14, when local photographer Jeremy Cowart spotted her in a park and recommended she visit AMAX Talent.

In November 2018, casting director John Pfeiffer spotted Sofie's photo in a pile of show cards, and booked her for the Victoria's Secret Fashion Show.

Sofie was given two outfits in the show, and immediately made headlines by blowing a kiss to pop star Shawn Mendez as he performed during her first walk.

She has shot advertising for Lee Jeans, Spanx and Victoria's Secret.
