The Black Dog
unleash. roam free. live every moment.

spring summer 2021

After a year of uncertainty, it would be easy to want to slip back to 1971. I was a young man with dreams of rehabilitating old ships and of building a Tavern on the shore of Martha's Vineyard. With my faithful dog by my side, I was able to see my dreams to reality.

As we celebrate our 50th anniversary, I feel the same optimism I felt back in those early days. I'm excited to spend time with my grandkids and to see familiar faces in the Tavern once again. We've taken some time over the off-season to make some needed renovations on island and off. The Tavern has been buffed and polished, we've expanded our Edgartown General Store and our Falmouth General Store has a brand new look. While things may look fresh, some things haven't changed...our dedication to our customers and the joy in seeing them visit once again.

Looking forward to celebrating during the season ahead with you!
